

# WGHS P&C Netball Club 2024 Annual Report

*Our Club acknowledges and pays respect to all traditional custodians of the lands on which we train and play netball. We pay respect to Elders past, present and emerging.*

## 2024 Season Summary

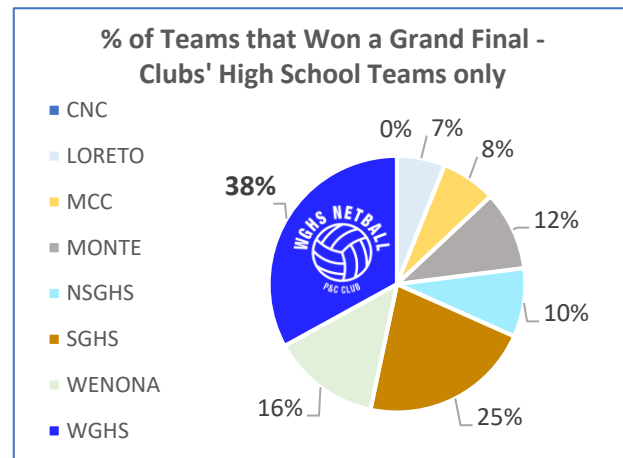

The WGHS P&C Netball Club has been part of the Northern Suburbs Netball Association (NSNA) since 2001. This year we celebrated a very successful netball season, despite several games and training sessions being cancelled due to rain.

We are extremely proud to be a club that promotes PARTICIPATION over Performance which has reflected in our club's growth over the past few years!

This year we fielded 23 teams with 215 players, an increase of 5 teams and 45 players from 2023. More than half of our teams qualified for semi-finals or preliminary finals, with 13 teams reaching the Grand Final. Out of these, 10 teams were crowned champions in their respective divisions.

Overall, this is a 65% success rate in our teams making it to finals, 57% making it to Grand Finals and 43% of our total teams winning a Grand Final game.

When comparing High School Club teams only, our performance stands out even more, being the most successful **High School based club this season!**

A special mention goes to:

- **Our 7 x Year 7 teams** – 4 of whom made it to finals, with 3 teams of new players in 13H, who had fantastic fun and one of those teams went on to win the Grand Final!
- **Our 6 x Year 8 teams**, who successfully transitioned from the 6 x Year 7 teams of 2023, with 4 of them reaching the Grand Final!
- **Our 3 x Year 9 teams**, one of which made it to the Grand Finals and emerged victorious!
- **Our 3 x Year 10 teams**, who played in the newly formed Inters Division - 2 teams making it to the Grand Final!
- **Our Year 11 team**, which remained undefeated throughout the entire season and won the Grand Final by an impressive 20 goals!
- **Our Year 12 team**, which played socially for fitness and fun during their busy HSC year and won their Grand Final match!
- **Our 2 Ex-Student teams**, both of which won their Grand Finals in the Senior divisions.

We thank each player, coach, umpire, team manager and parent cheering their child on the sidelines at games, as well as our Committee members for their commitment and hard work this season. We look forward to a 2025 season filled with more growth, collaboration and lots of NETBALL!

Further information about the 2024 season follows, and all team photos and results can be found at the end of this report.

## 2024 Season In Review

We began the year with a 'Come & Try Netball' session in early February. This event allowed our incoming Year 7 students to meet and gave those new to the game a preview before registration and grading sessions. We were pleased to welcome 70 girls to the Year 7 teams this season, an increase of 1 team / 10 girls from 2023. We plan to run and expand these sessions for girls new to netball in 2025.

Our grading process for Years 7–9 involves 2 to 3 sessions where experienced and independent graders assess players' skills through drills and games, focusing on technical abilities and positional play. Experienced players showcase their two preferred positions, while newcomers are rotated through various roles to find what suits them best. Graders provide team placement recommendations, which are reviewed by the committee to ensure fairness and balance. This thorough process helps match players to teams that align with their abilities, fostering both individual growth and team success.

Years 10 to 12 and ex-student teams are organised by the girls themselves, with a little bit of help from the committee where needed. We review the experience and skills of the team and put forward a recommendation to the NSNA regarding which grade they will be placed into.

Once teams were finalised, we ran a Team & Coach meet & greet for our Year 7-9 teams. We received great feedback on this session and will run this again in 2025.

Club training on a Wednesday afternoon was a highlight of the week for many of our girls (and we are sure that was only a bit to do with grabbing a slushie or snack from Coles service station on the walk down from school). Coaches put the girls through their paces with warm ups, ball skills & game drills and usually finished off with a friendly game to put it all into practice.

By April the season was in full swing, with the Courts (& the carparks) at the WLC courts fully utilised from 7am to 5pm. It was fabulous seeing our 215 girls having fun, increasing their netball skills and putting in 100% effort each week.

Unfortunately the rain this season saw more games rained out than ever before, with the committee and team managers on the ready each Saturday morning, eagerly checking the weather forecast and updates from the NSNA. Teams that persevered and played in challenging conditions deserve special commendation for their resilience and determination.

This year, the NSNA fully embraced the Inters division, totally replacing the former Cadets division. This change allowed players moving from 15As or 15Bs to continue competing against opponents of similar age and skill levels, rather than being placed directly into Seniors. Grades 15C and lower that were previously transferred into Cadets now fit into this new structure. As a result, all our Year 10, to 12 teams could continue competing against school-aged players.

Despite a significant number of games being affected by inclement weather, mostly in the first half of the season which necessitated some half games or split rounds, our teams performed admirably. There were limited opportunities for regrading and as a result, no team movement occurred. For teams that faced challenges and finished at the lower end of their grade this season, rest assured that they will be reassessed and more appropriately graded next season.

## 2024 Season In Review (Cont.)

Camaraderie among the girls and their passion for netball was lovely to see. Many players went above and beyond, stepping up to assist teams in need and playing additional games on Saturdays to ensure their teammates had full teams. In particular, watching teams within the same grade compete against each other was a highlight, as the girls demonstrated both enthusiasm and a strong competitive spirit while having a great time.

*Teams 14 & 15 – Year 8*

### **Finals:**

As finals approached, it was inspiring to see so many teams rise to the occasion, with an incredible 15 teams qualifying for the Finals games.

We were honoured to have the support of teachers Ms. A. Parker and Ms. N. Roberts, who attended The Semi and Preliminary Final games and cheered on the players, celebrating their efforts and dedication.

On Grand Final Day, Deputy Principal Ms. Janet Atchison joined us to watch the Juniors in action and present trophies to a number of NSNA Grand Final winners. It was a fantastic way to recognise the players' achievements.

An impressive 13 teams competed in the Grand Finals, with 10 claiming victory as champions and 3 earning the title of runners-up after hard-fought matches.

Congratulations to all teams for their hard work and commitment throughout the season!

### Presentation Day:

To wrap up the season, we held our Club Presentation Day at the school, where we shared yummy treats and celebrated the achievements of our players, coaches and umpires. Awards were presented to recognise both individual and team successes throughout the year (see below), as well as gifts given to the Team Managers, to thank them for doing such a wonderful job throughout the season.

It was a great way to reflect on, and acknowledge everyone's hard work and commitment this season.

We thank Mrs Scalese for her attendance, and presented her with her very own WGHS Netball Club jacket!

### Inaugural Perpetual Club Spirit Award:

This year we decided to bring back a perpetual Club Trophy, so we are pleased to announce the inaugural WGHS P&C Netball Club – Club Spirit Award. The Club Spirit Cup will be presented to an outstanding individual who truly embodies the core values of the Club - **Respect, Kindness, Teamwork, Inclusivity and very importantly – Fun for All!** The Award comes with a perpetual trophy and a little something to spend on yourself!

This year's award recipient is someone whose dedication and passion both as a player and as a coach have made a significant impact on our club. As a player she consistently demonstrated her commitment to the game and further developing her netball skills, respect for her coach and support for her teammates. As a coach, her leadership skills and understanding of the game shone through. She was prepared for each training session, ensured every player felt valued and was always willing to put her hand up to help others.

**Congratulations Kit S on receiving the first WGHSNC Club Spirit Award**

Your contributions have enriched our Club & exemplified the very best of what we stand for.

## Umpiring Update

Our umpiring program has continued to thrive this season under the exceptional leadership of Melissa F and Shannon M, supported by assistants Hayley P and Juliet D. We extend our heartfelt thanks to them all for their tireless efforts as committee members, organisers, umpires, and mentors. We also acknowledge our additional mentors—Rachael P, Lauren D, and our new mentors Lena M, Zoe I, and Holly F, whose guidance has been invaluable in nurturing the next generation of exceptional umpires.

WGHS Netball umpires are consistent, dedicated and passionate, and many have achieved wonderful success this season being awarded various badges and levels. A number of our umpires were also selected as finals' series umpires, which is a testament to their quality and commitment.

### Season Highlights

- Season 2024 saw the introduction of some rule changes from World Netball, including the introduction of rolling subs and the removal of Toss Ups, to name a few.
- Pre-season all our current umpires and new umpire recruits, together with many of our coaches, joined an umpiring refresher and rules Q&A held at the WGHS library.
- Despite the rain we umpired over 275 games across the season.
- With a team of 30+ umpires, including six (6) wonderful brand new and very brave umpires (who will each receive a personalised whistle).
- Over the season 10 umpires received local Association accreditation and 3 received National accreditation, with several other umpires on a pathway to National accreditation in 2025.
- WGHSNC umpires were nominated to officiate approximately 25 games during the finals series.
- We also had 4 umpires involved in the Norths Representative umpiring program including trials and carnivals – Lena M, Zoe I, Hannah LD and Charlotte C.

In addition we are immensely proud to celebrate Lena M's remarkable achievement in receiving the prestigious 2024 NSNA Junior Umpire of the Year Award. This honour recognises outstanding umpire service and exceptional development throughout the season and is a testament to the mentoring program that is run by our club.

## Umpiring Update (Cont.)

Over the season we recognise all our umpires and their important contribution to our club. We greatly value and appreciate their dedication, commitment and desire to facilitate fair and safe games of netball each weekend.

At the end of each season, the WGHS Umpires Committee awards two additional umpires for their reliability, devotion to umpiring and personal improvement over the season.

**The 2024 Umpiring Award for Star of Season was presented to Rose P.**

**The 2024 Umpiring Award for Rising Star was presented to Madison D.**

This is a wonderful achievement for these and all WGHSNC umpires and we look forward to working with our 'team whistle' in 2025 towards success and enjoyment.

## Coaching Update

Our Coaching Program was well managed this year under the outstanding leadership of our Student Coaching Convenors Lauren D and Rachael P with the continued support and guidance of the Committee.

This year, we had 33 coaches, an impressive 30 of whom came from within the student cohort, with two (2) ex-student coaches and one external qualified coach. We welcomed a number of new, aspiring coaches this season. Their enthusiasm and dedication were truly commendable, reflecting the supportive environment fostered by our experienced returning coaches and the broader coaching team.

Notably, one-third of our coaches participated in the Duke of Edinburgh (DoE) service program, leveraging coaching as a pathway to fulfil requirements such as volunteering, skill development and physical recreation. Beyond athletic success, coaching offers a fulfilling avenue for personal and professional growth, fostering leadership, teamwork, creativity, persistence and confidence. These skills not only enrich participants' experience but also strengthen their future university applications by showcasing initiative and community involvement.

The Club remains committed to supporting and welcoming more girls who wish to engage in netball as part of their DoE journey. To all our coaches, your dedication both on and off the court is deeply valued and contributes immensely to the ongoing success of this program. Thank you!

### Coaching Season in Review

Our season commenced with a meeting and briefing session where the girls received a recap of the new rules, collected their kit bags and new Coaching Handbooks, complete with training & game plan information and templates. This followed with a meet and greet session held at the school where the coaches and players were able to introduce themselves and discuss the season ahead. Training then followed weekly on Wednesday afternoons at the WLC courts for the majority of teams, which was a highlight of the week for some girls.

#### *Years 7 & 8 Training – Wednesdays 4pm to 5pm*

Midway through the season, we hosted a Coaches and Umpires meeting, complete with pizza and treats. This gathering provided an opportunity to reflect on successes, identify areas for improvement, and discuss any additional support or resources needed to enhance their roles.

In the second half of the season, coaches worked diligently to enhance team performance and push for finals qualification, with some teams even dedicating extra time to additional training sessions.

Coaches handled the pressure and nerves of themselves and their players very well during the finals series. This resulted in significant success for our teams in finals. Yet regardless of results, we are so proud of the collective success and contribution of our coaches to our Club's spirit.

We were hoping to receive Grant funds in 2024 to be used towards specialist course/s to improve coaching standards and accountability and to cover the costs for all coaches to complete the Netball NSW Foundation Coaching Course, however we were unsuccessful in our attempts. We will again seek grant opportunities to support this in 2025.

## Coaching (cont.)

Each year a number of coaches are recognised and awarded for their incredible dedication and passion for their teams' accomplishments, and we congratulate the following coaches:

### **Dedication to Coaching Award**

**Recipients: Hannah LD, Sasha H and Charlotte C of Team 23**

"These coaches put in a substantial amount of effort and dedication towards their team, always came prepared with a positive attitude and took on board all feedback presented to them. Their skill and dedication was evident as their team moved from 6<sup>th</sup> position at Round 7 to 4<sup>th</sup> position at Round 14, playing and winning the Elimination Final and having to face Team 22 in the Preliminary final in a hard fought match."

### **Senior Coaching Award**

**Recipients: Charlie L and Grace D of Team 12**

"These senior coaches greatly reflected club values, showing significant leadership skills, as well as immense dedication, commitment and presented as great role models to the other coaches throughout the year. Their skill was reflected as their team were joint grand final winners, with a 26 point draw."

### **Junior Coaching Award**

**Recipients: Kit S and Libby FG of Team 16**

"These coaches have not only improved tremendously, but consistently reflect the club values, particularly focusing on inclusivity and fair play, and continue to demonstrate great leadership and teamwork skills. Their team successfully made it to grand finals and only lost by 1 goal."

Moving forward, we will continue to recognise and honour individual and teams' achievements, organise team-building activities and provide ongoing professional development opportunities to continue fostering a positive and collaborative coaching environment.

Thank you to all our wonderful WGHSNC Coaches.

We hope to see a number of you return for another successful season in 2025.

## Uniforms & Equipment Update

The Uniforms & Equipment team worked diligently to ensure that all players received their skorts in time for the start of the season. We welcome and give thanks to Faith M for joining the team this year. We wouldn't have gotten over 70 new Year 7 girls into uniforms without you and we look forward to working with you again in 2025!

The skort, in conjunction with the school sports top, provides a comfortable and economical way to participate in this extracurricular sporting activity, and is worn by players in Years 7 to 9, in the 13's to 15's Juniors divisions.

Players moving from Juniors to Inters or Seniors (Years 10 and above) also had the option to select the new dress style if they preferred.

We continue to offer shorts as part of our inclusive uniform option.

This season we purchased more kit bags, medical kits and bibs (training and match) to support our growing club.

Additionally, we were excited to introduce our new branded netballs. Featuring the Club logo and colours, these netballs enhance our professional appearance on the court, are easier to see during matches, and help reduce the number of lost balls.

To celebrate team spirit and foster a sense of unity, we also provided blue and white ribbons to all players in teams that reached the Finals, showcasing our pride and club identity.

Our plans for 2025 include plans to purchase our own branded club marquee, as well as new Umpire and Coaches shirts.

We thank our supplier, David and the team at Emotif Promotional Merchandise, for their help and support throughout the season with our uniforms, bibs and banners and other promotional items.

## Thank You to our 2024 Committee Members & Volunteers

We sincerely thank our 2024 Committee members and volunteers. Your dedication and service are the backbone of our Club, ensuring its smooth operation year after year. Without the support of our parent and student volunteers, our club simply couldn't function and we are grateful for all that you do.

Our Committee is made up of passionate individuals who share a love for netball and our school and wider club community. If you're looking for a way to become involved in your daughter's sporting life, we encourage you to join us! Volunteering is a meaningful way to give back, foster teamwork on and off the court, and support players, coaches and umpires.

Since COVID, we have operated with a smaller team, and we would love to see our numbers grow again. No prior knowledge of netball is needed — we welcome volunteers for a variety of roles. Whether you can spare a little time or maybe a bit more, there's a place for everyone to get involved.

Please join us in continuing to make our Club a success!

### Thank You to our 2024 Committee Members and Volunteers.

### **To ensure the ongoing viability of the Club we will need more volunteers to support us in 2025, and we are specifically looking for people to help with the following positions:**

- Team Managers                      A point of contact for parents and players of a team.
- TM Coordinator                      A point of contact for the Team Managers on game days.
- Social Media Manager              To promote WGHSNC messages via our Facebook and Instagram pages to Members.
- Events Team Members              To help coordinate Presentation Day for players & parents and other social activities.
- Equipment Manager                Manage ordering, distribution, collection and stock take of kits and equipment at the beginning and end of the season.

In addition to these volunteer roles, we are also looking for a Club Administrator for 2025. This is a paid role, managing the main administrative duties of the Club throughout the year. A background knowledge of netball is required. Please contact the Club if you would like a role description or to discuss further.

**If you are interested in helping with any of the above roles, or even in a general capacity, contact us at [wghsnetball@gmail.com](mailto:wghsnetball@gmail.com) to learn more!**

## Financial Status

The Club remains in a stable financial position with a cash position of approximately \$9k as at 30 November 2024. The higher than expected end of season cash balance is driven by having a volunteer Club Administrator this season (a position that will be paid in 2025), lower umpire fees (due to the amount of rained out games) and obtaining storage at the school.

It is likely that registration fees will increase in 2025 to keep up with anticipated rises in expenses, as well as expected costs in Netball Australia and NSNA fees, however, we will continue to review costs in an effort to keep fees as low as possible. It's important to note that our fees are very competitive compared to other clubs and that no girl has to drop out of netball due to financial pressures.

**The only way to minimise any future fee increases is to have the increased support of volunteers within our club in as many positions as possible.**

The final 2024 complete financial information will be made available as part of the 2024 Willoughby Girls High School P&C Financial Statements.

## School and P&C School Support

As a sub-committee sports club operating under the banner of the WGHS P&C Association, we proudly welcome all WGHS students to join our club. We also extend this opportunity to others, such as former students and ex-student teams to continue their netball journey alongside friends they've made.

We are committed to upholding both the School's values and our Club's guiding principles of Fun, Fairness, Fitness and Friendship.

We appreciate, and rely on, the ongoing support from the School and P&C, which enables us to continue fostering a positive and enriching environment for our players.

### **Support Received from the School and P&C:**

- Netball Court and COLA access for come & try sessions, grading, team meet & greet sessions and wet weather training.
- Library access for pre-season meetings for coaches and umpires.
- Duke of Edinburgh programme promotion and student support.
- Provision of a storage area that saves our club over \$1500 per year.
- Administrative support with access to photocopy facilities and school communications, via Sentral.
- Facilities and attendance at Presentation day.
- Banner flags which promote our Club both within the school and the wider community.

We are excited to hear about the planned improvements to expand and enhance the facilities, including the addition of netball lines under the COLA. These updates will significantly enhance our ability to utilise the school's facilities, especially in varying weather conditions.

Thank you for your continued support!

## 2025 Season Planning

Our plans for 2025 are to continue with the Come & Try events, further enhance our Coaching & Umpiring programs, and run tailored Skills Sessions for all levels of players.

### **Team information for 2025:**

All Year 7, 8 & 9 (Juniors) players will **graded** into balanced teams of players with similar capability during grading sessions in early February.

Teams for players in Year 10, 11 & 12, and any ex-students, are NOT graded by the Club. Students form their own **friendship/peer teams** – as arranged by the players and parents. These teams are then entered into the graded Inters or Senior competitions. Formation these teams can commence now! The Committee is happy to assist those girls needing to find a team.

Ex-Students & non-WGHS students are welcome to join our netball club & play netball with their friends & peers.
