WGHS P & C Netball is a club full of wonderful young women who LOVE playing netball.

We aim to provide an environment filled with fitness, friendship, fairness and fun supported by our club's philosophy, the Willoway. With a decrease in teenagers participating in sports it is our main objective to create a club and community that provide opportunities for everyone to participate in the game that so many LOVE.

Like most P&C run sporting groups, WGHS Netball Club relies on the contributions of fantastic volunteers to keep it running. The majority of Coaches at the club are older students (Year 10 and above) who are closely supported by the club's Coaching Convener. The Netball Club is the largest of the P&C run clubs with over 200 girls playing every Saturday.

We are always looking for parent volunteers to assist the Committee in any capacity they can provide, whether that is serving as a committee member, managing a team, umpiring or coaching. Please let us know if you are interested in more information.

With people having less time to volunteer the Club now has a paid Convener, Umpiring and Coaching Convener to ensure the continual smooth running of the school's biggest P&C Club and help provide mentor support for all members.

### **2021 Important dates:**
