

BASKETBALL

Willoughby Girls' High School P&C Basketball club had a great 2021 year with 7 teams and strong player participation.

2022 Trials and team selection take place in mid-January, with Competition 1 starting Week 1, Term 1.

Basketball runs throughout the school year. U14 – U18 teams have 2 seasons that run by school semester (Terms 1+2 & Terms 3+4).

The commitment to the club/team is by school semester/competition. A team has 7-10 players. We welcome new and experienced players alike.

Training: The club offers Year 7 After-school training with professional and junior coaches, fun games & skill development.
