Wednesday 11 November – Remembrance Day

Thursday 12 November –

Friday 13 November –

Term 4 Dates: 12 October – 18 December 2020

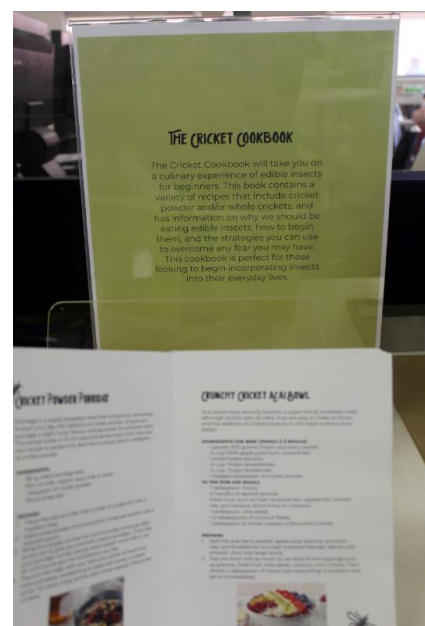

Year 12 Design & Technology

Year 12 Design and Technology students are very relieved to have completed their major design projects!

As part of their course, HSC Design and Technology students are required to propose an innovative solution to a design problem. They research and develop their idea for a product, system or environment to solve this problem, and conduct experiments to test their idea. Then they create the solution and evaluate it.

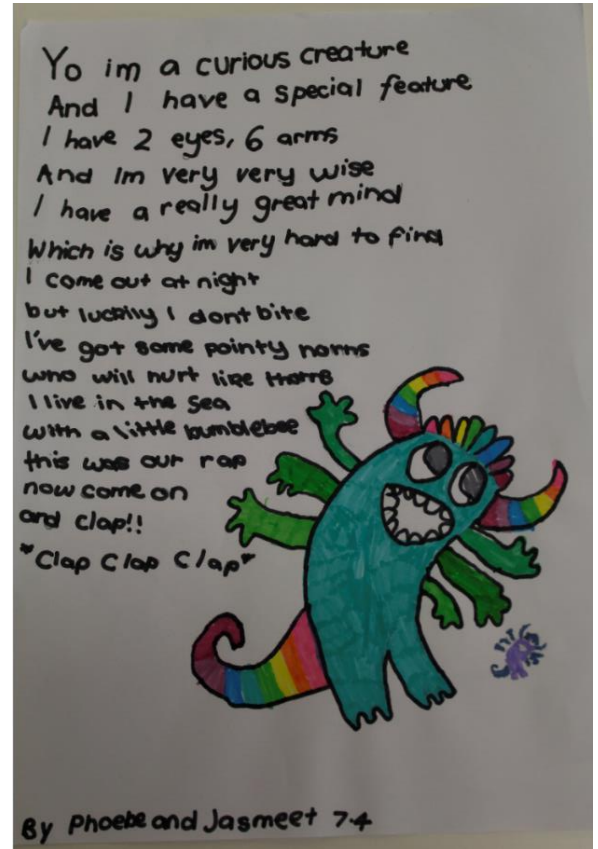

The 2020 class poured their time and effort into completing their projects, using various technology such as the school laser cutter and 3D printer, professional CNC routers, the Adobe Creative Suite, Roblox and sewing machines. This cohort's projects included a multi-functional furniture item, an immigrant assistance app, a container home for homeless people, a spine-friendly backpack with convertible straps, a sport and library complex, an insect cookbook, and a café workspace.

Most of the class' projects are on display in the library until late November. Students are invited to view them, following the school's COVID-19 restrictions.

Book Week

Parent Webinar Recording - Technology, Gaming & Online Safety

Northern Beaches Council recently held a parent webinar on [Technology, Gaming & Online Safety](#) with Dr. Michael Carr-Gregg, Game Aware and ySafe and a recording has now been published for parents and educators who were unable to attend.

The recording is on YouTube and can be accessed here: <https://youtu.be/8h49FvwQ5ms>

Watch the recording from a recent webinar with leading Child and Adolescent Psychologist Dr. Michael Carr-Gregg, Game Aware Founder Andrew Kinch, and ySafe Executive Director Yasmin London. Moderated by local Northern Beaches Psychotherapist Mike Burns, this panel based webinar covers some important issues parents are facing in our current world as young people are required to utilise technology and the internet in education, recreation and their personal lives

More info can be found here: <https://www.northernbeaches.nsw.gov.au/things-to-do/whats-on/webinar-recording-technology-gaming-online-safety>
